

# The Giving Tree – 2019 Recap

In 2019, The Ivins Outreach Center partnered with Innovations for Good and Cacace Properties to provide holiday assistance to families in need in Lower Bucks County.

Our families came predominately from Bristol Township, Bristol Borough, Bensalem, Morrisville, Levittown, Fairless Hills, Tullytown, and through referrals from local agencies and area social workers.

This year, we were able to serve **332 families**, **785 children**, with holiday toys, gifts, and gift cards! In addition to all the wonderful gifts, we were able to distribute **227 new winter coats!**

We couldn't have done this without the help of our 32 wonderful volunteers. Additionally, we'd like to thank all our generous community and corporate partners.
