

Community Programs

Community Programs

- **Older Adult Education** offers periodic education programs for older adults and those caring for older adults.
- **Community Service** projects for adjudicated youth.
- **Coordination and Distribution** of toys at Christmas time and winter coats to area needy children.

Major Highlights

- **Academic and Enrichment, After-School & Summer Programs** provide opportunities for almost two thousand local children.
- **The Resource and Referral program** has helped 1,000s of area residents receive services and programs through coordination with existing area social agencies.
